18th & 19th May 2022 | 16:00 Central European Time (CET)

As part of Nutricia's commitment to delivering high quality, relevant educational programmes, we would like to invite you to Paediatric Allergy Sessions 2022; a virtual meeting over two days focused on paediatric food allergies.

Featuring a global panel of experts, each day will contain a 2 hour plenary session followed by a selection of 1 hour, interactive workshops. Numbers to attend workshops are limited so please register early to avoid disappointment!
